

Business Support Centre Kosovo

Project Title	Entrepreneurship Training program – Phase 2
Financed by	USAID Kosovo Private Enterprise Program
Start project date	1st of November, 2010
End project date	31st of December, 2011

Project Objectives:

The objectives of the Entrepreneurship Training Program – Phase 2:

1. To increase knowledge and equip young adults with entrepreneurship skills necessary to either start-up or re-organize/improve a small business, or find meaningful employment in an ongoing business enterprise by developing/adopt the practical entrepreneurship training program;
2. To create linkages between successful candidates and microfinance institutions, by matching successful business plans with favourable loans;
3. To establish follow up system for successful candidates by providing post-loan consultation and/or technical skills training depending on the need;

Project Results:

1. Pre-Training: Training of Trainers organized with 30 trainers
2. Nine (9) partnerships created: *Students Helping Life* (Rahovec); *Municipality of Shtime*; *Center of Competence* (Malisheva); *Municipality of Dragash*; *NGO "Zana"* (Klina); *Minicipality of Istog*; *Peer Education Network* (Kacanik and Decan) and *NGO "Arteza"* (Gjakova).
3. 899 applications received from all around Kosovo
4. Participants trained: **369** (first phase) and **127** (second phase)
5. Seven (7) modules delivered
6. 116 business plans received
7. 33 grants delivered by *Community Development Program*
8. 300 hours of consultancy delivered to 50 businesses
