Purchase of Tools and Equipment for the
Sub grantee beneficiaries**

Project Name: Support to Employment of Youth in Energy Sector
Project Number: 2020/419-482
Provision of: Tools and Equipment
Length of Contract: 2 month
15 January 2023 - 15 March, 2023
Type of Contract: Framework Contract

Description: Purchase of Tools and Equipment as per ANNEX 1 specifications, and additional necessary equipment

Location / Place of Performance: Kosovo

BACKGROUND:

The overall goal of the project is to *increase employability, sustainable employment prospects for disadvantaged groups, namely youth and women in the energy sector in Kosovo*. “Support to Employment of Youth in Energy Sector” is funded by European Commission and implementing by BSCK . The Project directly contributes to this priority through training between 200 – 400 youths, which will benefit from capacity development within the project, and indirectly thousands of other youth, will benefit from improved curricula of public VET institutions. The Project is a direct investment to improving the quality of vocational training for energy sector professions, and directly support investments in vocational training, competence centres, aiming in creating job opportunities for youth and women and disadvantage groups.

PURPOSE OF ASSIGNMENT:

The purpose of this assignment is the provision of Tools and Equipment for sub grantee beneficiaries in the Prishtina Region Municipalities. This assignment will contribute directly to project activity A.6. The seed funding for 12 beneficiaries with business ideas in the field of electric installations.

The objective of this assignment is to purchase the tools/equipment and provide them towards the beneficiaries for their needs, and is foreseen to satisfy the anticipated demand for self-employment within the targeted groups. These tools and equipment will be awarded to 12 promising business ideas received through a process open to all trained beneficiaries. The grants awarded will only cover costs of purchasing necessary tools and equipment, for trained youth to be able to start service delivery/work through their newly acquired skills.

The Business Support Center Kosovo (BSCK) is inviting interested bidders to bid for the procurement of:
